

CSH \$10.5 Million Investment

40,000 Sq. Foot Meals on Wheels Facility – San Antonio, TX

CSH invested \$10.5 million of a \$20 million project that expanded the Meals on Wheels facility in San Antonio, Texas. Completed in 2022, the facility is able to serve more than 8,500 seniors annually and expand its day program for seniors with dementia, accommodating up to 75 individuals each year. The majority of Meals on Wheels' clients are older adults living on low incomes, many of whom are Black or persons of color. The facility also provides essential services including nutritious meals, social interaction, safety and wellness checks, home modifications, and pet health programs.
