

I would appreciate the opportunity to meet with your office to briefly discuss the importance of the CDFI Fund to communities in [state/district].

Specifically, I hope to discuss the need for timely obligation of the FY25 CDFI Fund appropriations and request your office's support for at least \$324 million in funding for the CDFI Fund in FY27.

CDFIs play a critical role in providing access to affordable credit, supporting small businesses, homeownership, and economic development in underserved communities across the country, including in [state/district].

Please let me know if someone from your office may be available for a brief meeting while I am in Washington on the afternoon of March 18th.
